## COMMENTS

Spring has Sprung on Spring Garden. Move in ready and waiting for it's new owner. Very spacious 3 Bedroom 1 bathroom bi-level with huge backyard, and as a bonus ( on lower level) all plumbing is in place for another full bath. The pride of ownership and maintenance shows. Home boast newer kitchen cabinets, granite countertops, under cabinet lighting, custom stucco/stone-exterior, stacked stone veneer interior wall, fireplace/hearth. The dream of the backyard consists of professional landscape design, including low voltage landscape lighting, travertine paver patio, and to top it off a professionally installed Thermaspa hot tub. Newer Well, Water Softener, Hot Water Heater, Oil Tank replaced (in basement), within the last 4 years. Spring Garden is definitely a must see, so schedule your showing today before it's too late!!
