This is a wonderful location, no other homes in this area, near Absecon. Home has been refurbished including, new kitchen, new appliances including washer and dryer. Bathroom is redone, new hot water heater, all new flooring throughout what a doll house. The driveway is very large, the gates open to allow a vehicle into the back yard so you can add a garage. Property is on a dead end street, neighbors are very friendly. The yard is large enough for a pool and a barbecue area, nothing to do but move in !!!!
