### COMMENTS

2 BF 2 Ba on high floor showcasing both ocean and bay views. Sunsets galore! This Monte Carlo model has it all; fabulously maintained; extra built in closet, double large closets in master bedroom; partially furnished; sold in an as-is condition but unit is a great buy! Newer kitchen with granite countertops; newer appliances including hvac unit! The master bath has two sinks and a walk in shower that is very large. While you are at the kitchen sink you see pure ocean! New added spotlights have been added in living room. This is a great buy and a great condo!
