Amazing Water Views of Baremore Quarters and @ 4,400 square feet of living space, make this an ideal home for summer fun! This 'one-owner' home has been lightly used as a 2nd home & has never been rented - as a result this lovely home is in great condition. Upon entering the oversized foyer, you are greeted by a 3-level Architectural stairway with cathedral ceiling and a magnificent chandelier. A full-service wine bar with cabinetry leads to a 1st floor family room with a fireplace and sliders that lead to a sitting deck & a private, fenced back yard that your 4-legged pet will love! There is also a bedroom & full bath on this level along with an oversized garage. 2nd level has an open floor plan for quiet reading, the primary bedroom w/ a fireplace and large bath with double vanities, walk-in shower & soaking tub. A large deck overlooks the Bay + 2 additional bedrooms & a full bath. Take the elevator to the 3rd level and step into a spacious area for entertaining with floor to ceiling water views and a wide open floor plan with a large kitchen complete with stainless steel appliances, a dedicated dining area and living/lounging area. Large sliding glass doors lead to the deck to see the bay views and sunsets as far as Harrah's and the Borgata. Two separate living areas (1st & 3rd floor) plus extra-large bedrooms and water views make this home one to desire. **BONUS:** Launch your boat, waverunners, or water toys just across the street at the Boat Ramp at any time! See associated documents for upgrades/renovations.
