COMMENTS

This classic three bedroom home is in a great location, close to schools, shopping, public transportation, bike path, Bay Ave. shops, restaurants, hospital and medical facilities. Beaches are a short drive over the bridge. House may have potential for expansion in the large side yard, or possibly a pool. A two car garage, parking for three cars in the driveway, an additional shed, and a partially full basement all give you plenty of space for storage, hobbies, or a workshop.
