Huge price reduction! Don't miss out on this home. Very well maintained 4 BD and 3 FULL BATH stately brick home located right off of the bike path. This home has been lovingly taken care of and is a perfect set up for extended family and or an in-law quarters. Upstairs has a large living room with a fireplace, dining room and very nice Eat in Kitchen. There is an enclosed porch located off the dining room which also has heat. There are 3 bedrooms on the upper level along with 2 full baths. The Master BD has its own full bath. The lower level has a huge great room and bar, perfect for entertaining along with a bedroom and full bath. There is a private entrance in the back to gain access. The Baseboard HWH system was just replaced this year. Outside features include a fenced in yard along with a large oversized 2 car garage. Put this on your list, it will not last long! Seller prefers 24 hour notice to show the home though.
