## COMMENTS

A magnificent home. Only 2 years old and in great condition. This home has everything you may want need in order to live comfortably, especially if you have a large family. 4 nice size bedrooms. A nice office that can be used as an office or a downstairs bedroom. Very large semi-finished basement with a bathroom and totally framed and ready to be converted into more living space. A very large fenced in lot and a huge garage. This home is very close to everything, including all the beaches in South Jersey. Malls, major stores and restaurants. This is a cooperating seller.
