Stunning Exclusive Brick Colonial executive home in Desirable Westwood Knolls! Tucked away on a serene and private 1.51-acre lot, this impressive two-story home offers timeless elegance and luxurious living. This property backs up to protected farmland which can not be developed. From the moment you step inside, you'll be captivated by the soaring two-story great room, centered around a striking floor-to-ceiling stone fireplace. Oversized Andersen windows flood the space with natural light, creating a warm and inviting atmosphere. The gourmet kitchen is a chef's dream, showcasing custom Amish-built cabinetry, flowing quartz waterfall countertops, a tile backsplash, and top-of-the-line KitchenAid stainless steel appliances—including a double oven, convection oven, and downdraft 5-burner cooktop. A farmhouse sink, secondary prep sink, and walk-in pantry complete this thoughtfully designed space. The main level also features a private guest or in-law suite with its own full bath and abundant natural light—ideal for extended stays or multi-generational living. Upstairs, a stately catwalk overlooks the great room below and leads to a luxurious primary suite that's truly a retreat. Enjoy a dual-sided gas fireplace, a tranquil sitting room, an expansive walk-in closet, and a spa-inspired ensuite bath with quartz tile, kitchen-height vanities, a corner tower cabinet, and a Fleurco freestanding tub. Additional upper-level highlights include a Princess suite with its own private full bath and walk-in closet, plus two more spacious bedrooms connected by a Jack-and-Jill bath with double vanities—each bedroom offering its own walk-in closet. The finished basement provides additional living space and a designated storage area. Step outside onto the deck and take in panoramic farmland views or unwind in the custom gunite, saltwater, heated in-ground pool with a beautiful waterfall—installed just three years ago. Extras include an attached garage, central vacuum and unbeatable proximity to major commuter routes and local shopping. This home truly has it all—style, space, and serene surroundings.
