COMMENTS

ATTENTION- MUNICIPAL APPROVAL. The city of Atlantic City has approved and adopted the subdivision for 7 separate buildable lots. See approved site plan below. Invest in Atlantic City, catch the wave, 7 buildable lots, all waterfront, all with the ability of being able to have boat slips and docks. Lot sizes range from 4,966 square feet to 7,562 square feet. Plenty of room to build whatever you desire; Oasis backyards, swimming pools, off street parking, garages, decks, porches, patios, all with amazing sunset views. VACANT LAND available for your next project! Two large pieces of waterfront property primed for development - imagine the possibilities! Once home of the famous Old Waterway Inn, this site has been cleared and is being offered as is. Any proposed project is subject to necessary approvals.
