This spacious, 19-year-young home features an open floor plan with a fully equipped kitchen, dining area, and a comfortable living room with a convenient powder room. The den offers flexible space—perfect for a home office or guest room—and there's a full bath on the main level as well. Step outside to a spacious 16' x 16' back deck and fully fenced yard—ideal for summer entertaining. Plus, with 4 off-street parking spaces, this home has everything you need! Upstairs, you'll find two guest bedrooms with a full bath and a generously sized primary suite with its own bath. The home comes fully furnished (minus personal items), ready for you to move in or continue as a successful Airbnb rental (generating up to \$60,000 in seasonal income). A solar lease at just \$57/month keeps your energy costs low. Set back behind mature trees, the home offers privacy while being in a vibrant, year-round neighborhood—just 2.5 blocks to the beach and iconic Atlantic City Boardwalk, and a 10-minute walk to Tropicana. Enjoy local restaurants just steps away, plus the bonus of watching the Tropicana fireworks from your private deck every Saturday night in the summer.
