Don't miss this 3 bedroom, 1 bath 2 story home on an acre of ground. This home features a nicely sized living room with wood flooring and one window unit a/c that leads to the dining room. The large kitchen allows for table space as well and includes existing appliances. The full bath is on the 1st floor and has some updates! Upstairs you will find 3 nicely sized bedrooms and there is attic access on the bedroom 3 closet. Two of the bedrooms do not have permanent heat sources. Outdoors is where you really fall in love! The partially fenced yard is perfect for pets and whatnot, and the large deck allows for entertaining. And, all of your friends will be jealous of the oversized 3 car detached garage with cement flooring! Plenty of room for vehicles, hobbies...you decide! While this home is sold in As Is Condition with the Buyer responsible for all inspections, repairs, certifications needed to transfer property, you will want to put this one on your list!
