COMMENTS

I This is a 3-bedroom, 2-bathroom rancher in the very desirable neighborhood of Venice Park. This property comes complete with a spacious eat-in kitchen and a living room of a suitable size. If you're in the market for a starter home or are looking to downsize, this would make the perfect place to settle. In the master suite, there is a master bathroom and a sitting area, which further enhances its homelike character. Adding to this home's appeal is its convenient location, which is just steps from public transportation.
