This 10,000 sq ft commercial office building offers approximately 4,500 sq ft of modern office space currently leased to a long-term tenant at \$18/sq ft NNN, providing immediate income. The remaining 5,500 sq ft is shell space, listed for lease at \$20/sq ft, allowing customization for medical, office, or professional use. Building is already cash flowing, which makes it ideal for investors or owner-occupants looking to offset expenses with existing rental income. Highly visible, easily accessible, and strategically located near Inspira Medical Center Vineland, a 305-bed facility that has recently undergone a \$34 million expansion to meet growing healthcare demands. The property benefits from Vineland's pro-business environment, including Urban Enterprise Zone incentives such as reduced sales tax rates and potential tax credits for eligible businesses. Additionally, the city's ongoing economic development initiatives aim to attract new businesses and support existing ones, enhancing the area's commercial appeal. Don't miss this prime commercial asset with strong upside potential in a community poised for continued growth.
