Opportunity knocks just two blocks from the beach and boardwalk in Ventnor City! This expansive 3-story home (plus basement) offers approximately 3,900 sq ft of space, featuring 8 bedrooms and 4 full bathrooms. One of the bedrooms was formerly two separate rooms and can easily be converted back, offering the flexibility for up to 9 bedrooms. While the home may need some TLC and updates, it's a true Hidden gem with tons of possibilities —perfect for a large family, summer getaway, or investor looking to unlock its full potential. The property includes charming original hardwood floors and ceilings, a 1-car garage, and a fully cemented backyard ideal for entertaining and BBQs. Sitting on a street-to-street lot with no direct neighbors in front or back, the home offers privacy and a great location.
