Well Maintained Split Level ready for the next family to make it their HOME. This property has only been owned by One Family, and you can feel the love that was spread throughout the property. The time has come for someone else to raise their kids in the home or use as a second home. As you enter the front door there is a living room, dining area and kitchen. Through the kitchen you walk downstairs to the den laundry room and 1/2 bath. You will find ample storage in the garage and closets. The upstairs offers 3 spacious bedrooms and 1 full bathroom. Be sure to put this one on the list! More professional pictures will be uploaded on Monday but don't wait, it might be gone before then!!
