Prime Retail Opportunity in Atlantic City's Booming Orange Loop! Unlock the potential of this rare retail opportunity featuring two contiguous buildings with a combined 54 feet of retail frontage and +/- 3,544 usable square feet. These flexible spaces can function as four individual storefronts or one expansive retail unit, offering versatility to suit any business model. A paved off-street parking lot adds convenience, while a large front-lit billboard—featuring two rentable ad spaces—provides prime exposure. One building comes with land use approval and engineering plans for a Class 5 cannabis dispensary, streamlining your path to operation. Any plans and approvals must be confirmed by a buyer during their due diligence period.
