I have a condo at The Ritz on the boardwalk in Atlantic City and it's available for sale. If you're looking for a getaway at the beach, my place at The Ritz is just what you're looking for. It's a 2 bedroom, 2 bath with ocean views. It's fresh off a renovation, and it includes all utilities. The unit has access to a pool, sauna, and gym. The Ritz is a famous building, but you might have heard it as the home of Nucky Johnson and other famous stars in its heyday. This is a really cool place to be. The Ritz has an amazing indoor pool and jacuzzi, and there is also a 24-hour gym. The boardwalk entrance is right at the beach, so no matter the day's activities, the sand and waves are at your fingertips. The best part? It's FREE BEACH! What more could you ask for? Come and see this beautiful unit. You won't be able to resist!
