*** SHOWINGS TO BEGIN @ OPEN HOUSE SAT. 6/21 11AM- 2PM! *** Quiet corner cul-de-sac Ranch offers the perfect floorplan and flow! Set back w/long driveway (for several car parking convenience!) to 2 car attached garage. Designed with sunny-cheerful south-west exposure drenching each room w/light and air through french doors and thoughtfully designed window placement! Dramatic vaulted great room ceiling engulfs you upon first step into the foyer. The cozy morning brightened kitchen opens into a cathedral breakfast room for that first burst of coffee, & sizzling bacon and eggs! Flexible floorplan lends versatility for different phases and stages of life.(See original schematic and survey in assoc. docs). EZ converted bdrms into possible office/den or library. While the room sizes quoted are approximate...the MBR suite is dramatically understated not including either the walk-in closet or massive private bath. Add your own personal touch, wallpaper and carpet updates...and this timeless classic ranch will suit your family for years to come!
