## COMMENTS

Coastal living at its finest. This 3-bedroom, 2.5-bath two-story was completely renovated in late 2020. New roof, windows, doors, siding, decks, privacy fence, outdoor shower, and more on the outside. The inside was completely transformed. Much of the plumbing and electric was updated. The kitchen area was opened up with new cabinets, quartz counters, pass-through bar, GE stainless steel appliances, all new flooring throughout, renovated bathrooms, master porch, gas fireplace, 2 A/C units, tankless water heater, washer, dryer, laundry sink, and much more. This is essentially a brand-new home—coastal, clean, and move-in ready. Call today for your private showing.
