1714 Baltic Ave  
Atlantic City, NJ 08401

Asking \$7,500.00

PHOTO NOT AVAILABLE

#### COMMENTS

Buyers are solely responsible for all due diligence and certifications with the City of Atlantic City. This includes, but is not limited to: verifying permitted CBD uses for a lot of this specific size, understanding all building limitations, investigating utility connections, and securing all necessary permits and approvals. This will likely require significant effort with city planning.
