#### COMMENTS

Buyers are solely responsible for all due diligence and certifications with the City of Atlantic City. This includes: confirming permitted RM-1 uses, verifying lot size and specific building requirements, investigating utility connections, and securing all necessary permits and approvals for their intended project. Contact the City's Planning & Development Department (609-347-5404) and Licensing & Inspection (609-347-5290) for all inquiries. This is an ideal opportunity for a buyer prepared to conduct thorough research and adhere to all city regulations to develop a multi-family property.
