Buyers are solely responsible for all due diligence and certifications with the City of Atlantic City. This includes: confirming the exact lot size, verifying permitted R-3 uses, understanding all building requirements and setbacks, investigating utility connections, and securing all necessary permits and approvals for their intended project. Contact the City's Planning & Development Department (609-347-5404) and Licensing & Inspection (609-347-5290) for all inquiries. This is an excellent opportunity for a buyer prepared to conduct thorough research and adhere to all city regulations to develop a residential property.
