COMMENTS

You won't want to miss this exceptional 3-story home, located in the heart of the Historic District of Mays Landing. This 5-bedroom residence boasts a strong stone exterior paired with a beautifully updated interior, all within close proximity to shopping and Lenape Lake! With 2,800 square feet of living space, this home offers both charm and functionality. On the first floor, you'll find one bedroom and two powder rooms, along with office space that can accommodate a commercial mixed-use setup. The second floor is home to three spacious bedrooms, including a large master suite with its own private steam shower. Throughout the house, enjoy the convenience of a stereo surround sound system and a central vacuum system. The sunroom, featuring stunning cathedral ceilings and a cozy wood-burning stove, is perfect for relaxation. The kitchen is a true highlight, offering a center island, granite countertops, and elegant 42-inch wood cabinets. The home is equipped with multi-zoned central air, radiator, and natural gas heating. The full basement is 6 feet in height, and there is also a detached one-car garage with a driveway that can accommodate three or more vehicles. Upstairs, the third-floor loft offers a spacious bedroom, complemented by a beautifully designed bathroom with a cast-iron tub as well as an adjacent sauna. The 3-year-old boiler, along with the newly updated radiator heating system, ensures year-round comfort. This property is an outstanding value with reasonable taxes, so don't miss your chance to view this extraordinary home today!
