## COMMENTS

Nestled on a quiet street in the heart of Northfield, just steps from the bike path and only 15 minutes to the boardwalk and beautiful beaches, this expanded 2,038 sq ft home offers a unique and flexible layout. The first floor features three bedrooms, while the second-floor addition includes a spacious primary suite with a walk-in closet and private bath. Enjoy the cozy fireplace and bay windows in the living room, and entertain with ease in the oversized family room that opens to a lush, fully fenced backyard. Outdoor amenities include an in-ground pool, outdoor shower, fully PVC fenced-in yard and a large deck—perfect for relaxing or hosting. Additional features include a basement and a large detached garage. Brand new roof. BONUS: solar lease is paid off! Being sold as-is, this home offers incredible potential in a prime location.
