This home has been so well maintained by the original owner everything shines! Stunning open country living that includes a Septic System that is just under 5 years old. There are so many updates including an additional laundry area, heated sunroom, flooring, counters, partially finished basement, HWH and more from the original custom design. The rear yard has plenty of room to create an outdoor oasis. Turn the key and move right in! This home won't last long so send me your offers!
