Beautiful newer single family home on a large property in Upper Twp, located in Marmora, neighboring Beesley's Point and just minutes to Ocean City. This move in ready home features new siding, a large 2 car semi-attached garage, 4 bedrooms, 2.5 baths, a full laundry room, updated kitchen with tile backsplash and quartz countertops, a large fully fenced in yard, backyard deck and shed, and a great U-shaped driveway. Great layout and build, this completely re-built home is on public water and centrally located close to everything. Easy to show and makes for a great primary or 2nd home just across the bridge from shore towns.
