This beautiful Mays Landing farm on 10.8 acres is a renovated luxury property, perfect for equestrians or farmers. The home features a fully renovated kitchen with copper accents, GE Cafe appliances, granite countertops, and wood-look tile. Refinished hardwoods are found throughout, with new wood floors in the large primary bedroom, which includes an en-suite bath with a walk-in, dual-head shower and double vanity. The property boasts extensive outdoor amenities including a large 2-car garage with a wood-burning stove, a second garage, and a greenhouse. The older barn is in great shape with a new roof added in 2024 and two stalls, and there's a new barn with two rooms used for goats. A new 20'x40' pavilion with a concrete pad, lighting, electricity, and fans offers a fantastic entertaining space, alongside a new pond with koi and goldfish. The property also includes a new well and irrigation system for the orchard and planting areas, active honey beehives, and a perennial sensory garden. A small building, previously a rental property, is now used as a home office with a kitchen, two large rooms, and a full bath. Perfect in-law suite. The "JustBe Forrest" offers native plants, wildflowers, a fire pit, and seating for peaceful enjoyment. What are you waiting for? This treasure is ready for it's next owner.
