COMMENTS

Highly sought after Southend, 3 bedroom Townhome near 4-wheel drive Beach access path. The fenced in rear yard with newly constructed deck, grassy area & outdoor shower affords ample space for a myriad of outdoor activities and is 'kid' and 'pet' friendly. The homes interior features an open floor plan from living area, through the dining space to the sliders leading to the deck. The primary bedroom has 2 closets + a walk-in closet with access to the adjacent full bath, some similar properties have converted the large closet in the primary bedroom into a full bath with shower. Since this is a two-owner shared condominium townhouse, the yearly fees include insurances.
