Beautifully updated 4-bedroom, 2-bath bi-level home. This spacious home features an open-concept upper level with modern plank flooring throughout, a renovated kitchen with granite countertops, white cabinetry, stainless steel appliances, and an island that opens into the dining area. The dining space overlooks a large, fully fenced backyard with a deck and platformed shed. The lower level includes a second living room, full bathroom, full laundry room, and a versatile 4th bedroom—perfect as a home office, gym, or guest space. The home also offers an attached garage and walk-out lower level for added convenience. Energy-efficient upgrades include a whole-house Tesla generator and solar panels, offering long-term savings and peace of mind. Additional amenities include a Tesla Wall Bank, Google Nest system, security system, built-in shelving, lighted vanity mirror, designer ceiling fans, and a newer furnace, AC, and water heater (all 4 years old).
