### COMMENTS

This adorable unit features newer HVAC/windows, hot water heater and slider. There is also a new shower in the upstairs bathroom. New maintenance free floors on the main level. This community offers lots for your enjoyment such as community room, pool and tennis court. The location can't be beat making it close to the highways and few minutes to shopping. Step outside to your own oasis with privacy to enjoy your morning coffee. This is an AS- IS sale with furniture being negotiable. Don't mind the doggies when you visit. They are very friendly and caged as to not be a problem. Very nice place at an affordable price.
