COMMENTS

Everything a first time homebuyer or a family looking to downsize is looking for! The home was completely updated a little over a year ago and comes with a convenient laundry shoot. More recently, the seller has added a 25x30 carport (which is staying) and has completely repaved the driveway. The home sits on a corner lot and has plenty of room for multiple cars if you're looking to have people over. You'll also love the basement which can be converted to extra living space if wanted. Don't miss out, schedule a showing today!
