

27 3rd St
Pleasantville, NJ 08232

Asking \$289,999.00

COMMENTS

Welcome to this beautifully renovated 5-bedroom, 2-bath home located on a quiet street in the heart of Pleasantville, just steps from local Schools. With a spacious open layout, this home offers comfort, functionality, and modern upgrades—perfect for families or anyone looking for more space. Recent improvements include a brand-new central air system, ensuring year-round comfort. The main level features an eat-in kitchen, bonus room ideal for a home office or playroom, and a seamless flow between living areas. Upstairs, you'll find additional bedrooms and access to an attic for storage. Enjoy a partial basement and attic for extra space, and leased solar panels at just \$75/month for added energy efficiency. A clear Certificate of Occupancy has already been obtained, making this home truly move-in ready. Schedule your private tour today and explore all the possibilities this property has to offer.
