Rare Find! Welcome home to this 4 bedroom, 2.5 bath home on John's Way. These properties don't come up very often! Sitting on 3/4 of an acre and boasting of over 3500 sq. ft of living space, you will have plenty of room for you and yours! From the moment you step through the door you will appreciate the beautiful flooring and staircase to the upper level. The formal dining room to your left allows for entertaining and holiday meals, and the formal living room to the right provides a quiet place to read or entertain. The heart of the home features a lovely kitchen with a center island and room for a kitchen table. There is ample cabinet space as well as a desk area for all of your scheduling needs! The sliding doors to the deck allow you to overlook the back yard, and the laundry room off of the kitchen is an added bonus. The family room with fireplace provides a more casual spot to relax and unwind after a long day. There is also a half bath as well as an office on the first floor. You can take the front or back stairs to the 2nd floor--talk about convenient! Upstairs you will find a huge primary bedroom with a sitting area as well as 3 walk in closets! The primary bath features a soaking tub as well as a separate shower and even more space. There is a large walk-in storage closet in the hall outside the primary bedroom--you'll love it! There are 3 additional bedrooms as well as a full bath on the 2nd floor as well. Head down to the basement and you will find another recreation area as well as sliding doors from the walk-out basement to the back yard. There is a utility room, and 2 additional rooms--storage, exercise room, crafts--you decide! This home is serviced by public sewer, well water and natural gas. What's not to love?
