Brand new construction..! House is yet to be finished, but is in the process of being done. Delivery time is approximately 60 days. Right now all the work is concentrated in the interior of the house...like plumbing and electrical. The house consists of 4 large bedrooms and 3 and 1/2 baths, with a master bedroom on the first floor. Three decks (2 in the front and one on the back). Wide opened concept and high quality construction. The location is awesome in a family oriented neighborhood. Walking distance to the Pleasantville High School and next to majors roads and transportation. The potential clients still have time to pick colors, since painting will start by the end of August.
