COMMENTS

'IVY MODEL' Private wooded back and on a cul de sac. This home features granite kitchen, stainless appliances, crown moldings, wood floors and bright living space. It also has a finished garage with work bench and storage. Also added is a space that can be a library, office, craft room or even a guest room. The activities available to homeowners are too many to mention but there is certainly something for everyone. The indoor pool is open year-round with a large Olympic size outdoor pool. Offers day trips and vacation trips, parties galore and lots of games for all. The clubhouse can become a place to meet people and learn new things.
