COMMENTS

This semi-custom ranch in the exclusive Sherwood Forrest community is anything but ordinary, with a striking four-hip roofline and timeless architectural detail. Featuring a cathedral-ceiling Great room with a fireplace and bar, a chef's kitchen with granite and solid wood cabinetry, and a private primary suite with dual walk-in closets and a spa-inspired bath, the home blends elegance with comfort. A finished basement with a guest suite, an unfinished loft, and nearly one acre backing to the reserve and lake offer both flexibility and serenity. Recent updates, including a newer roof and mechanicals, ensure lasting peace of mind.
