Currently the Country Cottage—a delightful country-antique themed gift shop. If you wish to convert it to a country cottage home the flexible EVC zoning allows for single family homes, the main building of approximately 1,000 square feet, enhanced by a charming exterior shed and an iconic lighthouse landmark, all of which are included in the sale. With a spacious asphalt-paved parking area featuring 11+spots, including designated handicapped parking. EVC Zoning in associated docs
