Shrouded in custom wood work throughout, this home offers coziness, comfort along with tranquility. Impeccably maintained inside and out, this home oozes with pride in ownership. Curb appeal is fantastic, pulling up, this large frontage lot offers a plethora of parking as well as garage storage. Family room/kitchen & dining area are all open to one another, drenched a natural light from the windows and multiple sliding doors. Wooded vaulted ceilings, tree trunk beams make this space spectacularly stunning. Two bedrooms on this floor offer convenience. Full bath offers beautiful vanity, tiled shower along with laundry. Entire 2nd floor is en suite featuring office area with 180 degree window overlooking the river. Bathroom is oversized with huge shower encrusted with river rock and slate-like tile. Built-ins for storage make for a great wall in this space. Built-in-desk area offers 2nd work space. Pavilion at rear of the property overlooks the water, offers gas fireplace, heat/air, eisenglass windows zipper open/closed & offer screens for air-flow. TV in this space make for a great bonus den/gym/craft room, reading room and so many more possibilities. Garage offers incredible space for cars as well as storage that is heated by gas for comfort.
