A custom gas fireplace, added in 2019, anchors the living space with warmth and charm. The second level houses two bedrooms, each featuring plush carpeting, ceiling fans, and generous closet space. The primary suite includes a skylight, large closet, and ceiling fan, while the secondary bedroom has recessed lighting and plenty of storage. The upstairs full bathroom features a tub with classic subway tile walls, vinyl flooring, a spacious vanity, and a skylight that adds brightness to your morning routine. Laundry is conveniently located on the second floor. (Master Bedroom pictures to come.) A third-floor loft offers soaring ceilings, a private deck, ceiling fan, and access to a second full bath complete with a stall shower, making it perfect for a bedroom, a home office, or flex space. Major systems have all been updated, including dual-zone heating and cooling with smart thermostats (furnaces replaced in 2017, A/C replaced in 2025 with 10-year warranty), a new roof installed in 2019, and custom windows throughout (2025) with a 50-year transferable warranty. The crawlspace is sealed and plastic-lined, providing dry, clean storage. A new water heater was also installed in 2017. Outside, enjoy a spacious deck and paved patio area, with privacy screening and plenty of room for relaxing or entertaining. A shed offers additional storage, and the side entrance creates a tucked-away, private feel. This home also comes with two dedicated parking spaces, plus guest parking on a first-come, first-serve basis. HOA fees are \$275/month and cover lawn care, roof maintenance, snow and trash removal, offering a low-maintenance lifestyle. Homeowners are responsible for electric, gas, cable, water, and sewer.
