Stunning 2-Story Home with Custom Features & Entertainment Galore! This beautifully maintained 2-story home with an attached 2-car garage is sure to impress from the moment you arrive. Step into the grand 2-story foyer, flanked by a formal dining room on the left and a library, flex room or home office. The spacious eat-in kitchen offers 42" cabinets, a central island, and stainless-steel appliances — ideal for both everyday living and entertaining. Just off the kitchen is a well-appointed laundry room with new cabinetry and direct access to the garage for added convenience and no lack of storage! The adjacent family/recreation room offers plenty of space for relaxing and entertaining, with a seamless flow from the kitchen. Upstairs, you'll find four generously sized bedrooms and two full bathrooms. The primary suite is a true retreat, complete with 2 walk-in closets and a spa-like ensuite bathroom featuring a double bowl vanity, garden tub, and separate shower. The roof is only two years old and features dimensional shingles. The home includes an oversized 85-gallon hot water heater and updated PEX plumbing throughout. But the real showstopper? The fully finished basement! Designed for entertainment, it includes: • A game room with pool table and dry bar under the stylish tin-coffered ceiling • A dedicated home theater with plush seating, a wide screen, and AV equipment projector • A custom bar/lounge room, perfect for entertaining guests after the movie This home blends classic charm with modern amenities and incredible spaces for gathering and relaxing. Don't miss out!
