Build your home in Somers Point Nestled in a quiet residential neighborhood, it's just minutes from the beach, bay-front, and Somers Point's lively restaurant and entertainment scene. Grocery stores, shops, and everyday essentials are close by, and the Garden State Parkway and Route 9 provide easy access for commuting. Families appreciate the well-regarded local schools and nearby parks, while outdoor lovers enjoy quick access to marinas, fishing, and watersports. With Ocean City's beaches only a short drive over the bridge, and Atlantic City nightlife within 20 minutes, the location blends the charm of a small coastal town with the convenience of larger shore destinations.
