HURRY! This 3-bedroom, 1-bath ranch home is **PRICED TO SELL**. It has been well-maintained over the years. However, it does need some updating, and the price reflects this. It has solid bones, a fenced yard, a shed, central air, and public utilities. An addition was added to the kitchen some years ago, and now it's spacious with cathedral ceilings, plenty of cabinets, and countertop space for cooking and entertaining. This home is the perfect fit for a first-time homebuyer or someone looking to downsize, and the community is a great place to live. Who do you know that would be interested in buying this home? Call **NOW** to schedule your private showing.
