COMMENTS

This spectacular, fully renovated home in Ventnor combines modern luxury with thoughtful design, featuring four spacious bedrooms and three full bathrooms. One of the many highlights of the house is the covered porch, where you can unwind and take in breathtaking sunsets from morning to evening. The open-concept first floor boasts a state-of-the-art kitchen with custom cabinetry, innovative lighting, top-of-the-line appliances, and elegant Caesarstone countertops, seamlessly flowing into a welcoming gathering room with a cozy gas fireplace and recessed lighting throughout. The first floor also features a full bathroom and a large utility room for added convenience. At the same time, the back door leads to a private paver patio, perfect for barbecues and outdoor entertaining. The enclosed shower in the backyard is ideal for rinsing off after a day at the beach. Upstairs, the primary suite features a walk-in closet and a spa-like bathroom with a freestanding bathtub, serving as both a stylish centerpiece and a luxurious retreat. A fabulous two-car garage provides ample storage for beach equipment, and the unique lot stretches from one street to another, offering rare space and versatility. This home is truly a home that can be used for all four seasons, ensuring your comfort and enjoyment year-round.
