This brand new construction home sits on a full acre in Franklin Township. With 4 bedrooms, 2.5 baths, and a full basement, there's plenty of room to grow. The first floor features a bright, open layout with stylish flooring, a spacious kitchen with granite countertops, and modern finishes throughout. Upstairs, you'll find generously sized bedrooms, a convenient second-floor laundry room, and a primary suite with cathedral ceilings and a double vanity. Outside, enjoy a large yard, an oversized driveway, and fresh landscaping already in place. A rare opportunity for new construction on a full acre — ready for immediate occupancy.
