An awesome opportunity for country living at an affordable price is right here! Nice home has many features including the cozy, sun lit living room with beautiful hardwood floors; the eat-in kitchen with stainless steel appliances and granite countertops; three nice size bedrooms with ceiling fans and hardwood floors. The full bath has been recently updated with walk-in shower. In the full, unfinished basement you'll find the utilities and laundry, and while its unfinished, it is a blank canvas that can be finished or kept as-is and used as storage! Newer roof. Newer windows. The bonus is the newer, extra large 2 car-garage/Pole Barn, that's equipped with both electric and heat - AND a car lift! There's also two additional storage sheds for your garden/yard equipment. All this is set on almost 1 acre in a quiet neighborhood and a great location - just off Route 54 and Route 322. This property is in great condition, but it's being sold As-Is.
