Affordable neighborhood retail opportunity! This former take-out restaurant is ready to go with two small exhaust hoods, a three-bay wash sink, and a built-in take-out counter—perfect for someone looking to launch a food concept without heavy upfront costs. Surrounded by several long-standing restaurants in a well-traveled part of the city, this location offers strong visibility and steady foot traffic. Priced at just \$2,300/month + electric and gas, it's an ideal turnkey option for a mom-and-pop operator.
