Welcome to this STUNNING 4 Bedroom 2 Full Bathroom Rancher located in the heart of Linwood. This gem sits on a quarter of an acre that is fully fenced in. The property was fully remodeled in 2021. Walk up to a grand front patio where you can sit back, put your feet up and relax. The kitchen comes equipped with a large center island, 42 inch cabinets and patios door to the backyard. The three large bedrooms are located on one side of the house while the master is located on the other. Extra closet space is an understatement in this property. Your electricity bill is minuscule due to the paid off solar. This is truly something you need to see for yourself. Set up your appointment today before it's too late!
