#### COMMENTS

Exceptional business opportunity offered at just \$99,900! This established company comes with approximately \$175,000 in contracted work already secured for Spring 2026, including major projects such as the Seaville Acme (\$96,000), Mays Landing Condo Complex (\$69,000), and Reformation Lutheran Church (\$8,750) — producing an estimated \$147,000 in profit. All jobs are confirmed with clients, allowing the buyer to step directly into a strong revenue stream with zero downtime. With this kind of backlog and profitability, you're essentially acquiring the business for free. A rare opportunity for a motivated buyer to take over a turnkey operation with immediate returns.
