COMMENTS

Head on over to Hickory Street and check out this cute starter home. This home features 3 bedrooms, 1.5 bathrooms, with new carpet and vinyl flooring throughout most of the home, plus a new stove and dryer. The full basement can be used as a flex space/playroom and a screened in back porch perfect for relaxing. Hickory has good bones, some new features, yet an opportunity for the new owner to add some of their own touches, too.
