Triplex just under two blocks from the beach! Each unit has its own layout: 1st floor offers 2 bedrooms, 2nd floor is a 1 bedroom apartment, and the 3rd floor features another 2 bedroom unit. Full unfinished basement adds storage or potential utility space. Many strong income-production features, with the first and second floor currently occupied. Off-street parking helps ease resident access. Excellent investment opportunity in Ducktown, convenient to local amenities, transit, and the Boardwalk.
